

# ***GLOBAL BUSINESS & ECONOMICS ANTHOLOGY***

The **Global Business & Economics Anthology (GBEA)**, ISSN: 1553-1392, is an international refereed publication, published semi-annually (March & December) by the **Business & Economics Society International** (B&ESI) since 2005.

The GBEA publishes research findings applicable to profit-making, non-profit making and / or public policy institutions. It considers all aspects of economics and business, including those combining business and economics with other fields of inquiry with local, national, regional and international implications.

Submitted articles go through a **double-blind review** process, they should not have been previously published or be currently under consideration for publication elsewhere. Authors are subject to the ethical principles delineated by COPE – Committee on Publication Ethics (details [here](#)) and to those outlined by the B&ESI - CODE OF ETHICS / CONDUCT (details [here](#)).

There are no charges (either submission or any other fees) for publishing in the GBEA. An accepted author will receive the published manuscript in PDF through email. Offprints (10 or more) with covers are available at \$15 each inclusive of shipping. A printed copy of the volume, containing the published manuscript, is available at \$80 inclusive of shipping. (For offprints and printed copies contact the publisher via email: [hkan@besiweb.com](mailto:hkan@besiweb.com).)
